I am an enthusiastic camera technician and filmmaker, determined to work on set in the camera department. I have the necessary communication and teamwork abilities for any cooperative professional environment, and I can also work on my own initiative. My experience on set shows my dedication and passion, and my full-time work demonstrates my technical and detail-oriented mentality.

SKILLS

Computer proficiency in Microsoft and Google suites; Advanced knowledge in Adobe suite and Davinci Resolve;

Knowledge of analogue motion picture cameras; Writing camera report sheets;

Projecting lenses; Setting up, using and troubleshooting cameras, accessories and monitoring systems listed below

EMPLOYMENT

CAMERA TECHNICIAN | Panavision | April 2023 – Present

Preparing and testing various combinations of high-end digital and film cinema cameras, lenses and accessories before they are handed over or delivered to our clients for feature films, commercials, music videos or short films. Working in parallel with other departments to ensure equipment is maintained to the highest standards of functionality and compatibility. Offering advice, alternatives and additions to camera crews during their equipment tests, as well as to the client contact team when orders are booked.

CAMERA TECHNICIAN | Pixipixel | October 2021 – April 2023

Working with the latest high-end cinema cameras, lenses, accessories and monitoring equipment before they are delivered to our clients, meticulously checking the equipment once returned, as well as the maintenance and organisation of the inventory on the camera floor. Working in a team where members split tasks among themselves to maximise productivity. Liaising with camera crew and offering assistance and additional equipment as required when they prepare for either HETV or short-form shoots.

KITROOM TECHNICIAN | Shift 4 | July – October 2021

Stock-checking and testing camera, lighting, grip and sound equipment, interacting with clients and delivering/collecting kit in vans in London and across the country.

PROMOTIONS ASSISTANT | University of Portsmouth | September 2019 – August 2020

Managing the Faculty of Creative and Cultural Industries' social media presence, writing new articles for the Faculty blog, then distributed to all CCI staff and students in the fortnightly newsletter. Helping organise events for students, academic staff, alumni and industry guests and acting as a point of contact for them.

PHOTOGRAPHER & VIDEOGRAPHER | Alchemee Media | October 2018 – September 2019

Taking high-quality photos and filming commercial content for various brands, which were then used as promotional content on their websites and social media pages.

EDUCATION

16/35mm Camera Familiarisation Short Course | National Film & Television School | 2022

Introduction to and loading the following cameras: Arri SR3, Arri 416, Arricam LT, Arricam ST, Arricam 435, Panavision Millennium. Taught by Mike Hannan and Charlotte Scott-Gray

First Class Honours BA (Hons) Film Production | University of Portsmouth | 2017 – 2021

Highly practical degree with elective modules. Specialised in Cinematography while other subjects studied include Fiction and Documentary Filmmaking, Directing, Scriptwriting, Sound and Editing
